Carmel Valley's 'Good Eggs'

The Carmel Valley Chamber of Commerce held its 23rd Annual Installation Dinner last Friday at the Rancho Canada Golf Club, honoring three valley "Good Eggs."

Those honored were Larry Busick, Mildred Hatton and George Corrigan.

The giving of "Good Eggs" as community service awards was suggested by the first chamber president, Byington Ford, in 1954, the year that the Chamber of Commerce was founded. The award is given to persons who have made an outstanding contribution to our Carmel Valley. These citizens are selected by a committee composed of award winners from previous years. In some years the Chamber has given only one "Good Egg" and in other years, as many as six.

Good Eggs

Larry Busick: "There can be no doubt that our Carmel Valley Fire Departments and first aid crews are our most important public service organizations. The brave and public spirited people who volunteer for this work are on call 24 hours a day. They may be called on at any time of day to leave their homes, jobs, or businesses to protect our lives and property. They are our first line of defense against fire and disaster and deserve our constant gratitude for their devotion to duty, without pay and without compensation for time lost from work. This Good Egg has served for 10 years on both the Fire Department and first aid crew, responding at all times, day or night, to the call for help. In addition to these services our Good Egg has helped our young people by umpiring in the Little League for 14 years and serving as a team manager. It is an honor for us to present this Good Egg to Larry

Bloodmobile times

A banner above the Valley Road at the Village entrance has long been an effective way of publicizing important Valley events, so you can imagine the excitement that swept over the Bloodmobile volunteers and their hard working chairman, Mrs. Thomas B. McKiernon, when an anonymous donor promised one in time for the Thursday, May 5th, Bloodmobile at the Carmel Valley Community Youth Center.

"An old oak leaf cluster" to the Bloodmobile's benefactor who to date has contributed two gallons — plus five units of blood; and whose wife has also donated since 1972 (with time out for two babies!) The banner was hung on April 28th fulfilling a longtime secret desire of this generous civic minded couple.

The blood giving clinic on May 5th from 3:00 until 6:30 p.m. is another chapter in the book about a worthwhile project which began May 2, 1959, was co-chaired by Ken Sentner and Marjorie McKiernon, who greeted ninety donors.

The next bank, held June 2 of the following year, was chaired by Marjorie and she has been running it with great concern and efficiency for the last sixteen years. The response from the "bit players" has been gratifying, but the "stars" of this lifegiving show include; Robert Wilson who has donated 4 gallons plus; Don Johnson, 3 gallons; Walt Mausey, three gallons; Raymond N. Danielson, 4 gallons plus; and Lou Allaire, EIGHT gallons.

As in years past a volunteer telephone committee will be calling residents to remind them of the forthcoming Bloodmobile and to accept a convenient reservation for them. If you have not been contacted, then you are invited to stop by the reservation tables at the Valley Post Office on Friday and Monday; or at the Village grocery stores on Friday, Saturday, and Monday. If your schedule is indefinite, remember that "Walk-in donors" are always welcome and will be processed as quickly as possible. Let's celebrate the new Bloodmobile Banner with a record turn-out!

"Under the desk and behind the computer" would be an appropriate title for this week's column which has been at the mercy of GREMLINS, Inc. at the Mid-Valley Office. Two weeks ago a portion of the column was mysteriously swept off the desk and forever lost

STRETCH YOUR WATER ALLOTMENT
Hire A Student!

Students can read your meter, keep a daily record of your water use, even bail out your bathtub, and tote heavy buckets of gray water to your thirsty garden.

The California-American Water Company is now training students to read meters. WE ARE OFFERING FOR EMPLOYMENT THE STUDENTS WHO HAVE SUCH TRAINING.

Meter reading record cards are available at SES, 480 Webster Street and also at Cal-Am Water Co., 404 Franklin, Monterey.

Each of these water meters registers 80632 cubic feet. When you read your meter daily or weekly, you can determine the amount used by subtracting your most recent reading from the previous reading and multiply the result by 7.48 to determine gallons used.

Last week, my car did not recover from mechanical heart failure until the office doors were locked, so the Oaks & Cactus was dropped in the door slot meant for that purpose and found AFTER the paper went to press — behind a computer. This marked a first in 16 years that "Oaks 'N Cactus" had missed an issue. Music and May baskets await the guests planning to attend the Fidelity Club Potluck Dinner on Thursday, May 5 at 6:00 p.m. in Fellowship Hall of the Carmel Valley Community Chapel.

Vera and Bert Heckenlaible are co-hosting the affiar, according to Mrs. Carl Naslund, publicity chairman. The monthly meetings are open to anyone. Those planning to attend are asked to bring a dish to share, their own table service and to remain for the musical treat which will follow the dinner.

CV Chapel Guild

You are cordially invited to circumnavigate South America with members of the Carmel Valley Community Chapel Guild on Wednesday, May 11 at 12:15 in Fellowship Hall on Village Drive near Paso Hondo. The navigator of the trip will be Mrs. Edward Chappell who made this delightful voyage a year ago on a Prudential cargo liner.

During the cruise, a professional photographer made the movie which will be shown at this meeting.

Mrs. Chappell who is an active Guild member has taken many world cruises and reports that this particular trip was outstanding.

Guests are always welcome at Guild meetings and the ladies especially invite you to join them for dessert. The committee in charge is chaired by Mrs. Emil Hansen assisted by Mrs. Robert Arnal and Mrs. Russell Lindsay.

CVCYC Flea Market

Co-chairmen, Mrs. Richard Lee and Mrs. Nancy K. Hogans announced a good response to requests for reservations for the Community Center's Flea Market held Saturday at the Center on Ford Road.

Vendors who braved brief showers sold wares including European antiques, cut glass, old linens, steamer trunks and old books as well as the usual rummage for recycling.

Outdoor Stalls — $10 each — benefited the Center and members of the sponsoring Carmel Valley Community Youth Center Board of Directors held a White Elephant sale inside the Center with proceeds also earmarked for the annual benefit.

IT'S YOUR BANK *On May 9th a brand new bank comes to Steinbeck Country.*

On Thursday, May 9th, Monterey County Bank will open its doors for business at 620 Abrego Street between Webster and Fremont in downtown Monterey.

The owners of the new bank include a number of local business people, civic leaders, community leaders and you.

At last. A bank you can call your own.

We are a brand new bank. We have no dusty traditions to follow, no outdated policies to adhere to. The only thing that will determine the way we do business from day one is you and your response to our way of banking.

So we're going to do more of what you expect a bank to do — and some things you don't. We're going to pay interest on savings every month instead of quarterly. We're going to make banking easier and simpler. We're going to make banking faster and more convenient. We're going to make banking more of what you want it to be — and friendly, too.

Open 24 hours a day, 365 days a year.

You'll be able to take care of your basic banking needs 24 hours a day, every day of the year at Monterey County Bank. We're the only bank in Monterey with an automatic teller machine, where you can deposit, withdraw or transfer funds day or night, weekdays or weekends. It's called MoCo 24 hour teller and it's available to anyone who opens a savings account at Monterey County Bank with $500 or more, or a checking account with a minimum opening balance of $250, subject to approved credit.

We're offering, for a 90 day period, free checking to anyone who joins our Charter Club. Simply open a checking account — with no minimum balance — anytime during our Charter Club membership drive and you'll pay no service charges for the life of your account, subject to revocation for customer-created abuses or regulatory changes.

We're introducing Statement Savings Accounts that eliminate the need for a passbook and make keeping track of your money and saving money easier . . . we are offering single statement banking for all our customers — a monthly statement that gives you all the financial details you need on all your accounts at a glance in one, simple statement.

And now, a word from our sponsors.

Peter J. Coniglio
Chairman

Milton G. Fossum
President

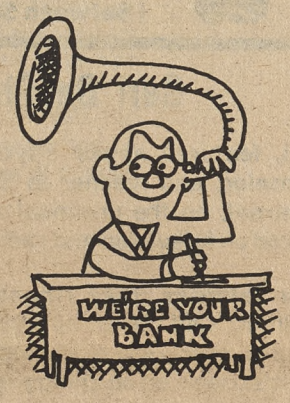
Richard A. Falge
Director

We're doing things a little differently at Monterey County Bank because we're a little different than your average banker. In fact, we're your neighbors.

Our headquarters are where our homes are. Right here in Monterey. Because we're in Monterey — not in San Francisco or Los Angeles or New York — we can and will do more for you.

We want to be your bank.

Like any new business, we want customers. We want your business and we'll do more for you to get it. But to be your bank, we need your help. We want to know what you want from your bank. Anything from banking services to community activities, whatever you want to discuss, call Milt Fossum or any of the bank staff at 649-4600 or write 620 Abrego Street, Monterey Ca. 93940.



We're ready to listen. Because that's the only way we'll get to be your bank.

Come to the Opening of your bank.

How can you miss the Opening of your own bank? Drop by from 9:30 to 6:30 after May 9th, during the week. Watch for our Grand Opening.

Geri De Stefano May 7th & 8th

Geri, featured at our Psychic Fair, is a professional psychic reader, counselor, and teacher in the San Francisco Bay Area, San Diego, and Montreal, on the practical applications of parapsychology. She has appeared on television and radio in both Canada and the U.S.

On Saturday, May 7th, she will have private (about 2 hours, $50.00) readings. Call for an appointment for an in-depth process that gives the client an over-view of individual programs. The readings are taped for the client's use as an on going process for therapy and clearing.

On Sunday, May 8th, from noon to 4 P.M., Geri will have an Aura Workshop, designed for those with little or no experience in developing their psychic potential. The fee is $20.00.

CHS sports highlights

By NANCY FLEMING

Carmel High's varsity baseball team lost a 3-1 decision to Hollister which left them 4-3 in league and 10-8 in overall standings.

Hollister was ahead 3-0 in the fifth after a walk and a triple to left center by Roy Teshima. In the seventh, Carmel's Dave McKenzie spoiled Hollister pitcher Dave Slipsager's no-hitter with a single up the middle. Following two strike-outs, Mark Bordonaro made it to first on a bunt to third. Pete Rolfing then doubled to drive in McKenzie. Carmel's Greg Miller then hit a drive to third but was beat out at first for the final out of the game.

Carmel came back to defeat Palma 5-3 behind the strong pitching of Kelly Ragan and a key hit by Mark Bordonaro.

The Padres' J.V. team lost a close 4-3 game against Hollister which pushed them out of first. Joe Limov and Neil Vandervort each hit homeruns.

The J.V.'s handed Palma their first defeat of the season, Thursday. Joe Limov and Pat Kelly each had three hits and Frank Lucido scored three runs to help the team to their 10-5 victory. The team set a record of 10 stolen bases in the game.

Carmel's undefeated tennis team remained that way, winning both of their matches last week. The Padres defeated Gonzales 5-2 with singles winners: Adam Sherburne, Eric Collas, Russ Jacobsen, and Steve Doelman. Doubles winners were: Martin and Miller. Their second victims were the R.L.S. Pirates, who were defeated 6-1 with singles winners: Graeme Robertson (C) def. Chris Radford (RLS) 6-2, 6-0. Thad Stewart (C) def. Dennis Edgren (RLS) 6-3, 2-6, 6-3. Mike Galang (C) def. Dick Catlin (RLS) 4-6, 6-0, 6-4. Steve Lyon (C) def. Dan McDonald (RLS) 6-4, 6-2. Alex Valenzuela (RLS) def. Bill Rissel (C) 3-6, 6-4, 6-3. Doubles: Tom Moore-Russ Jacobsen (C) def. Andy Collins-Tom Palziel (RLS) 6-2, 6-1. Eric Collas-Adam Sherburne (C) def. Bruce Dini-Hiram Hung (RLS) 6-1, 6-3.

Carmel High swimmers racked up more victories last week. Scores: CHS varsity 108 — Pioneer 59, CHS varsity 96 — Gunderson 68, Frosh-Soph CHS 105 — Gunderson 68. Two Frosh-Soph teams qualified to CCS — 200 medley relay of Roger Salyer, Mike Baldwin, Carl Bresk and Andy Fitton at 1:54.0

(Qualifying 1:55.0, CHS record 1:58.7); 200 yard free relay of Mike Baldwin, Art Strum, Dan Falge, Andy Fitton at 1:38.9 (Qualifying 1:41.0, CHS record 1:44.0); Mark Baldwin also broke the CHS breast stroke record at 1:06.6 (old 1:10.8).

Carmel High and RLS tied at 191 apiece for the MTAL championship at Hollister High. Carmel and RLS smashed the old 400 yard free relay record, the Padres timed at 3:34.7 and RLS at 3:36.5 (old 3:40.9).

Greg Baxter of Carmel crushed his own record of 5:33.4 in the 500 free style, timed at 5:17.2. Mike Carter of Carmel also broke the old breast stroke record and was clocked in at 1:06.1. Bill Loeffler from RLS added two more new records, one in the 200 individual medley at 2:08.7 and 59.1 in the 100 backstroke. Another Stevenson swimmer, Warren Lee, was clocked in at 1:57.0 in the 200 free style to break the old record of 1:57.9.

Carmel's golf team beat Palma by 136 strokes last week. The highlight of the match had to be Dave Maloney's incredible hole-in-one on the seventh hole at Pebble Beach.

The CHS girls track team posted a 77-31 victory over P.G. Tamara Stewart equalled her 220 record and L. Watson set a new high jump record of 4'11". The 440 relay team of J. Clemons, S. Feder, Cynthia Snorf and L. Watson ran 55.5 for a new record.

Meter reading help

The Monterey Peninsula student employment service and California-American Water Company are cooperating on a plan to (1) help local residents cope with water rationing problems and (2) assist students in finding after-school and weekend employment.

The plan, announced today by Stephen Magyar, SES President, involves issuance of a printed water meter-reading record card. Householders who use the card to keep daily or weekly score on their water consumption may then assess their water-use priorities.

The hiring of students to read the meters and keep the records is proposed. All students registered with SES for yard work will be asked if they can read water meters. Those who do not know how to read meters will be sent to Cal-Am's Monterey office for instruction in meter-reading. Leslie Johnson, Cal-Am public information officer, says staff will be available to train students after school hours Monday through Friday.

"The meter-reading service should be particularly useful to elderly and handicapped householders who aren't physically able to read their meters," Phyllis Howard, SES executive director says.

The meter-reading record cards are available to both householders and students at SES, 480 Webster St., and Cal-Am 404 W. Franklin, in Monterey.

SES Employment

Federally financed jobs at local military installations will be available to disadvantaged students this summer, Phyllis Howard, Executive Director of the Student Employment Service of the Monterey Peninsula, has announced.

Miss Howard urged all interested students who feel they may qualify to make application at the SES Office, 480 Webster Street, Monterey, as soon as possible. The Office is open Monday through Friday, 8:30 a.m. to 4:30 p.m.

The jobs will be offered under the Youth Opportunity Program to students between the ages of 16 and 21 who meet economic criteria set by the Federal Government. Students whose parents receive Federal, state or county aid and food stamps are among those eligible.

A wide variety of assignments will be available. Some jobs will demand experience and training; others require no particular skills. All pay $2.30 an hour for a 40-hour week.

Students may obtain work application forms and work permits from their school counseling offices. The form must be completed before the student reports to SES for an interview. Work permits are required of students ages 16 and 17.

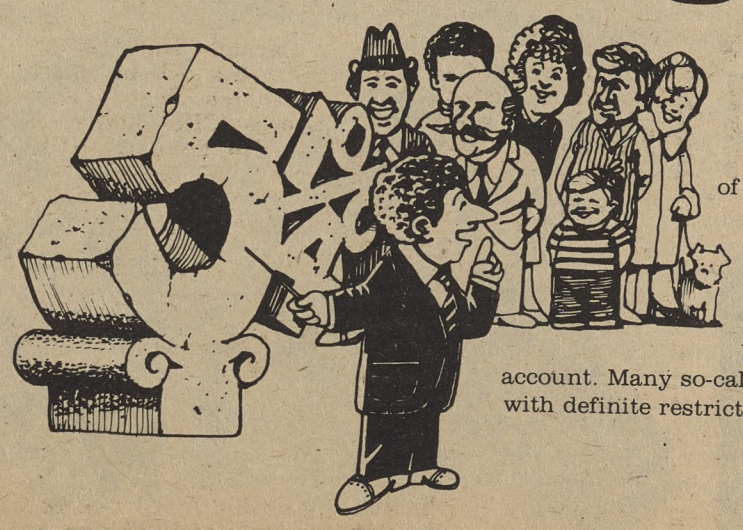
Busick."

Mildred Hatton: "Our second Good Egg goes to a wonderful woman who while raising five children has still found time to contribute countless hours to our community. Some of the organizations in which she has been a leader include the Carmel Valley Fire Department Auxillary, Little League, 4 H Club, Carmel Barracuda Swim Team, Cub Scouts and The Community Center. Her school activities include leading fund raising events and chaperoning trips for school bands, baseball, football, wrestling and swim teams. She has also been co-chairman for the Carmel High School Bargain Fair, the major student scholarship fund raising event. In addition she has somehow found time to write a regular column for local newspapers covering news in Carmel Valley. By now, I am sure, you know we are going to give this Good Egg to Mildred Hatton."

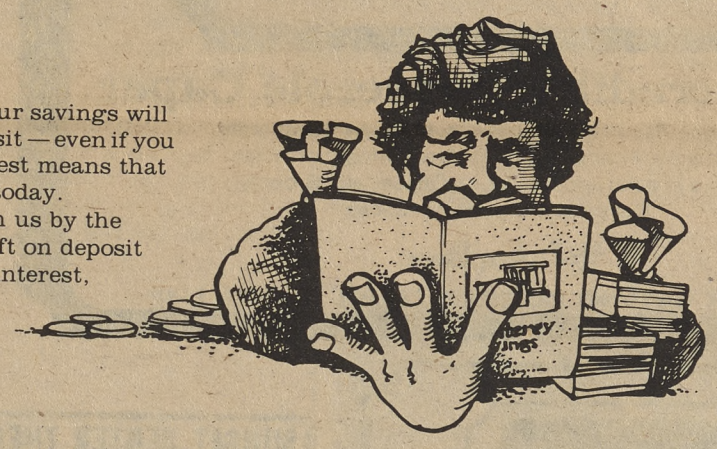
George Corrigan: "Our last Good Egg, a native Californian, graduated from the University of California in 1937. He served in the United States Navy during World War II, From 1942 to 1946. In the year 1955 he began a career of public service in our Carmel Valley Post Office. Since that time, his patience, kindness, understanding and willingness to help each postal customer, has enriched the lives of everyone who has had the privilege of being served by him. This year he is retiring after 22 years of service and will truly be missed by all of us. His friendliness and good will toward everyone has made all of our lives a little brighter. He is a shining example of what one man can do to make the world a better place to live in. This may be the most popular Good Egg we have ever given away and it goes to George Corrigan."

Savings Rate Guide for Beginners

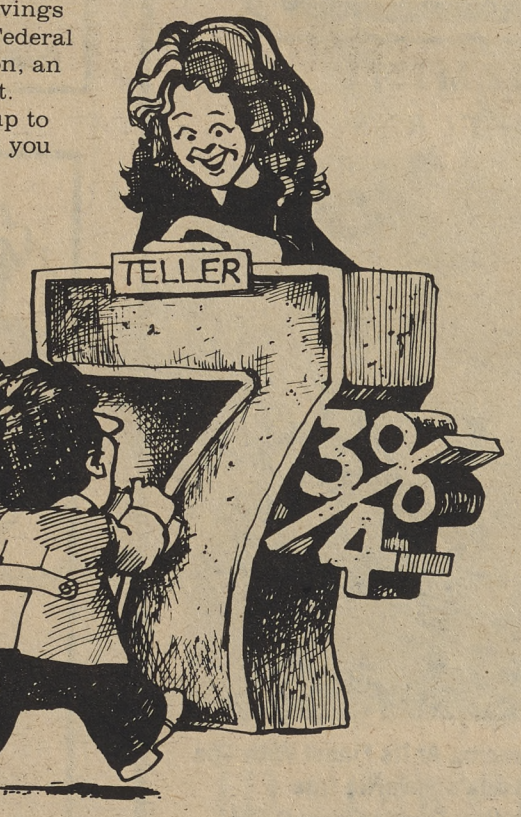


OUR REGULAR 5¼% PASSBOOK SAVINGS ACCOUNT EXPLAINED: This is the most basic and popular savings account — the account everyone thinks of when they talk about "savings." And aside from paying you 5¼% interest, compounded daily, our Passbook Account offers you flexibility. *You can put your money in or take it out whenever you wish.* It happens to be our best seller and a real favorite with our customers. Now, how does our 5¼% Passbook Account stack up? Well, the banks simply don't pay as high a rate for the *same type* of account. Many so-called "passbook accounts" are really certificates of deposit with definite restrictions. It might pay you to check on this.

DAY-TO-DAY INTEREST, WHAT IS IT? It means that your savings will earn interest, literally, for every day your money is on deposit — even if you take it out before the end of the quarter. Day-to-day interest means that you will be just a little bit richer tomorrow than you are today. And here's something else we offer: money deposited with us by the 10th of the month will earn interest from the 1st when left on deposit until the end of the quarter. That's up to 10 free days of interest, and again, a little bit richer for you.



WHAT ABOUT SAFETY ON YOUR SAVINGS? At Monterey Savings, your dollars are safeguarded by sound local investment, substantial reserves, and conscientious local management. In addition, your savings with us are insured to $40,000 by the Federal Savings and Loan Insurance Corporation, an agency of the United States Government. Combined accounts can be insured for up to $560,000. Safety? At Monterey Savings you can count on it!



HOW TO EARN AS MUCH AS 7¾% ON YOUR SAVINGS. If you plan to keep or put your savings aside for a while, you should consider our 7¾% Savings Certificate (actually, 8.06% when held to maturity). It has a minimum term requirement of six to ten years on an opening balance of $1,000 or more. Also available are Savings Certificates paying 5¾% - 6½% - 6¾% and 7½% interest. These higher interest rates are possible because of your time commitment to us with your savings. Federal regulations require an interest penalty for early withdrawals from Certificate Accounts. When it comes to saving money, come to Monterey Savings where interest is always compounded daily.

And for additional peace of mind, we think that you'll be as proud as we are to know that the dollars you save with us stay here in the Monterey Bay Area, where they belong. Not many associations can stake that claim, and in the long run, it could make your entire life a whole lot richer.

"Carousel"

Spirited and colorful

by julia montague

"Carousel" opened last weekend at Hartnell's Theatre of the Performing Arts with Rich Hughett as "Billy Bigelow" and Catherine Craig as "Julie." The story is a modern classic about a carnival cad and a shy young maiden, and is full of memorable music by Rodgers and Hammerstein.

Hughett has been in many local productions, but has never been better than he is in the role of Billy. His characterization of the cocky carousel barker is totally believable, and his voice carries the beautiful lyrics to the audience in a fine blend of musical knowledge and acting skill. He moves through the different moods of Billy with ease, and in the end brings tears with a moving scene with his daughter "on earth."

Catherine Craig is a lovely, shy and winsome Julie, and her beautiful voice helps bring the difficult role of Julie alive. Her most memorable scene is during the demise of Billy, and the acting and direction were excellent here, not only Julie's, but all the others in the scene, too. Lorriane Pedrazzoli as "Carrie" is outstanding. With a fine musical ability and a captivating stage presence, she portrayed the giggling Carrie in youth and as the secure homemaker with equal charm. Another outstanding performance is given by Elaine Sherman as Louise, Billy's daughter. She showed great skill as an interpretive dancer in the difficult pantomime scene, neither overplaying nor underplaying the part. The confrontation of the "ethereal" Billy and his daughter is very moving, and handled well by both actors.

The girls in the chorus are beautiful, and a lesson in casting should be taken by the Peninsula theatres. Each one was prettier than the next, and were full of "joi de vivre" in both their singing and dancing. The boys chorus was great fun, a bit more relaxed than the girls, and all the voices blended beautifully. Skillfully choreographed by Akemilto, they rollick through the songs and dances with much energy. Donna Pueschel was an excellent "Nettie," as were Barry Revis as "Jigger," the ne'er-do-well, and Ed Moncrief as Enoch Snow, the narrow minded fisherman. Rudy Carillo was a fine cop, and the clowns, jugglers and acrobats were great fun.

CAROUSEL sweethearts (from left) Billy Bigelow — Rich Hughett, Julie — Catherine Craig, Mr. Snow — Ed Moncrief, and Carrie — Lorraine Pedrazzoli, appearing in the Hartnell College Theatre production of Rodgers and Hammerstein's favorite musical. "Carousel" will continue May 6, 7, 8 (Matinee), 13 and 14. All evening performances will be at 8 p.m.; Matinee, 2 p.m. Performances will be on the main stage of Hartnell's Performing Arts Center. For tickets and reservations contact the college Community Services Box Office, 758-9191.

THE CARNIVAL CLOWNS, David Obele (left) and Heather Blades (right) ride the carousel together in the Hartnell College Theatre production of "Carousel" by Rodgers and Hammerstein.

Some very superior sets were designed by Joseph Yedlicka. They were functional and beautiful, and his artists and carpenters are to be congratulated.

Costume designer Sally Tanner gave us colorful period clothes which added a great deal to the overall production. They seemed to be of superior quality and her seamstresses showed us that it was a labor of love.

Some fine music came out of the orchestra pit, but it was definitely too loud, and the singers, try as they may, had difficulty being heard. Local theatre does not have its Ethel Mermans and Robert Merrills who can dominate an orchestra, so it seems to me that it is up to the conductor not to upstage the stars.

There are only a few complaints about the production as a whole. There needs to be some work done on voice projection and enunciation of the lyrics. This was not true of the leads, but the director should insist on this in all roles. Some very funny and poignant lines were lost. If the actors had moved forward, and not relied on the security of the sets, it probably could be overcome. Also the second scene, in the woods, is too long. While it is necessary to set the story line here, it dragged on and on without sufficient movement. And last, please Hartnell, spend some of your building money on better ventilation in the theatre.

Carousel is a splendid way to spend a spring night, full of nostalgia and beautiful music. It will play again May 6, 7 and 8, 13 and 14. Make your reservation now, or you'll be sorry you missed it.

Jam Session benefit

JAZZ — Modern, progressive or blues were enjoyed at Sunday's JAM SESSION upstairs at the Outrigger on Cannery Row.

The musical event benefited the Mid-Valley Fire Department rescue van equipment fund and was sponsored by the Mid-Valley Volunteers. Jim Crispella, chairman was assisted by Herb Sherman, Ken Silva, and Val Evans, in charge of the tickets.

Music throughout the afternoon and evening were provided by members of the Monterey Bay Hot Jazz Society, a jazz band from San Jose State College, Jake Stock, Joe Ingram, Serena Underwood, Mike Moratta and many more top local musicians.

The Volunteers set a goal of $22,000 for themselves when they began working on fund raisers for their rescue squad and to date they have raised $13,500. The contributions on Sunday gave the volunteers another much appreciated boost toward that goal.

CVLL season "Official"

The Tularcitos Mustang Band under the direction of John Farr played; team penants snapped in the breeze; snow cones sold by the thousands and the 1977 Carmel Valley Little League Baseball Season officially opened on Saturday.

The invocation was given by Rev. James Brock of St. Dunstan's Episcopal Church and the Little League Peadge was read by Trey Whipple, a member of the Tiger Team.

League president Jack Garrett, who was chairman of Opening Day Ceremonies, also served as Master of Ceremonies and introduced fellow board members; Vice President, Jim Shakal, Secretary; Sandy Awamleh, Treasurer, Bob Wirtz; Player Agent, Joel Trudeau; Snack Bar Manager, Ann Moore; Equipment Manager, Dan Moore; Head Umpire, Bill Owen; Chief Scorekeeper for the Majors, Francie Casarez; and Chief Scorekeeper for the Minors, Nancy Dice.

The majority of the 106 registered Minor League Players and the 78 Major League players marched onto the field in uniform to be introduced with their coaches, managers, and sponsors.

The tradition of throwing out the first ball has always served to honor someone who has made a meaningful contribution to the CV Little League. This year's selection was a popular one — Bill Conlan, a super supporter of the sport who has devoted twenty years toward every phase of coaching, managing, and umpiring, as well as field construction. Chosen to catch Bill's mighty pitch (he still throws a mean curve ball!) was John Gardiner, Jr. — now the Falcon coach — who played for three years on Bill's Red Sox team when the field was located at the Carmel Valley Fire Station.

In addition to the countless boys lucky enough to work with Bill over the years; his three sons, Bill, Jr., Jim, and Bob, also played on the Farm teams; graduated from the Majors; and all have since volunteered many hours to the success of the recreation program.

Barracudas at Golden Hills

Carmel Barracuda swimmers participating in pre-season AAU meet traveled to the Golden Hills Aquatics "B" meet at San Jose where Mike Hardy, Carmel, established a new team record in the boys' 11-12 year old 200 free with an "A" time of 2:22.3, and tied the 100 free team record with an "A" time of 1:05.8 for a seventh place. Mike also placed 6th with a 38.2 in 50 back.

Kent Nybakken, Carmel Valley, in the 10-and-under boys' placed 3rd with an "A" time of 32.9 in 50 free; and Tom Zeleny, also of Carmel Valley, tied for 8th place in the 11-12 boys' 50 breast stroke.

Swimmers 6-18 are invited to come to workouts at the Carmel High School pool at 5:00 p.m. on Mondays, Wednesdays, and Fridays.

THE ORIENTAL GARDEN of Admiral and Mrs. E.J. O'Donnell in Skyline Forest is just one of the lovely spots guests may visit on the 24th Annual House and Garden Tour sponsored by the Monterey Peninsula Volunteer Services on Wednesday, May 11.

REMEMBER JAKE STOCK and his famed "Abalone Stompers?" Jake was just one of the Celebrity Musicians who played Sunday's mid Valley Fire Department's Benefit "JAM SESSION" at the Outrigger.

My unseen reporter went to the 20th annual Pebble Beach Three Day event and reports that over 200 riders and horses competed in three divisions and almost all of them were riding in hopes of catching the eye of Jack Le Goff, coach of the U.S. Equestrian Team Three Day Squad. The year after the Olympic Games the equestrian coaches travel the country looking for new talent, new riders worthy of top coaching, perhaps even worth inviting to the U.S. Equestrian Team center at Gladstone, New Jersey to train with the squad.

Being good enough for the Olympic Games is the most precious dream of every amateur rider. The Screeming Trials held in conjunction with Pebble Beach's famed Three Day Event brought out many riders, however, whose dreams outran their preparation.

Thursday before the competition began all the entered horses were checked by veterinarians Deter and Bruce of the Salinas Large Animal Veterinary Clinic. They were not overjoyed with the fitness of all entrants. They pointed out Brenda Lambert's Appaloosa gelding Scimitar: "This horse is absolutely sound — we wish they all were." To another competitor: "Your horse is serviceably sound." To a third' "Your horse, we're going to watch like a hawk at all the vet checks during the competition."

Sure enough, on Saturday during the endurance phase of the horse trial, six horses were found to have symptoms of "tying up" after the steeplechase phase. Three were prevented from proceeding, the others were allowed to continue after rest with careful observation.

The dressage tests on Friday, as is unfortunately typical of dressage tests at Three Day Events, were not graced with outstanding examples of obedience and suppleness. Three Day riders usually start life as teenagers who like to gallop and jump. In order to compete they paste a little dressage training on top of that. The lack of preparation shows in high headed horses, mincing around the lettered ring holding their breath.

Dick Collins, manager of Pebble Beach Equestrian Center, is world famous for his cross country courses. The training level horses traveled 2 miles on roads and tracks, steeplechased over big solid fences at a speed of 24 mph for 1-6 miles and after a short rest continued over more than 4 miles of roads and tracks to a 2½ mile, eighteen jump cross country course. Collins plans courses that not every horse will be able to finish. He hopes maybe three fifths of the starters will reach the end alive. The jumps are set in odd positions in the forest and force a horse to jump up hill, downhill, and in my lady's chamber.

We're not going to try to tell you all the stories of the cross country course: Horses falling, riders falling, both falling together, and some who just plain quit. Judy Ahl of Camp Kennolyn in Soquel got into the horrid jump called the Collins Trap without enough impulsion to get out. Her Thoroughbred gelding, Otis, had been slowing, slowing, until he reached the final element of the jump at almost a walk. Judy asked anyhow. With all the gallantry in the world, Otis tried to go THROUGH the barrier. It was solid of course. Judy had to take a refusal penalty while she and Otis backed up enough to get a run at it. They sailed over on the second try.

On the third day of a Three Day Event, those horses which have survived the first two days come out and jump a demanding show-jumping course in the arena. This shows that they are still sound and willing inspite of yesterday's horrors.

When it was all over, Jack Le Goff made an address to the competitors. While encouraging everyone to keep trying and keep improving themselves, his speech was not all roses and accolades. "A Three Day Event is not a boxing contest," he said. "Too many of you are fighting your horse."

"To be successful, a Three Day rider needs three things," said LeGoff. "The first thing he needs is a good seat. The second thing is a good seat. The third thing," he looked the crowd in the eye, "is a good seat."

"Only when you have acquired a good seat," continued the famous coach, "can you BEGIN to communicate with your horse."

Janet Garwood provided a superb demonstration on the Grand Prix dressage trained, Hill Sail. She showed not only in the classic movements of dressage which the gelding executed flawlessly but to the amazement of the crowd took a number of the larger jumps on the stadium course. Hill Sail remained perfectly in tune with his rider even in mid air over the jumps. He would take a jump. Immediately on landing be asked to passage or to back and then go on quietly to the next jump.

Coach LeGoff hardly needed to lecture on the importance of dressage. "Spend your time on dressage. Work on that the most," he emphasized. "Then you won't have the runaways and the battles on the cross country course."
